Specification

Product type Zubehör	Length 368 mm	Width 85 mm	Height 23 mm	Step depth 80 mm
Suitable for ladder type Anlegeleitern	Set for ladders with 6 Stufen	Number of step paddings in the set 3 pcs.	Type of non-slip protection clip-step	Material Kunststoff
Transport dimensions (plus packaging) 368 x 97 x 33 mm, 0.43 kg	Business division MUNK Günzburger Steigtechnik	Order no. 041821		

Facts

- Live up to the increased requirements on work safety and provide for optimised non-slip protection, safe footing and a comfortable stance on our step ladders
- The step padding made of grooved plastic is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue
- For applications where all steps of the ladder may be used – for example, when used with an exit rail – an additional set of 3 clip-step paddings can be used to make the upper steps comfortable and slip-resistant

- The clip-step tread cover is applied to step ladders up to the maximum accessible step according to DIN EN 131 and thus functions as a visual check for the correct use of the ladder

Scope of supply

- Clip-step step padding: 3 x
- Assembly instructions: 1 x

Information on sustainability criteria

- Corporate certification: ISO 9001
- Corporate certification: ISO 14001
- Corporate certification: EN 1090
- Corporate certification: EcoVadis
- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
