Facts

- Manually operated vertical mast lift with intuitive one-handed operation
- All-round secured working area up to working heights of 4.20 m indoors
- Automatic braking device when lifting the workman basket
- Stepless and non-electric lifting mechanism with gas pressure spring
- Easy to enter and exit via swing door
- Robust design for extra durability

- Low operating costs, practically maintenance-free
- Anti-theft device with padlock
- Recesses for transporting with forklift
- Practical storage tray for tools and material
- EX protected version
- Maximum load: 150 kg (1 person)
- These products are covered by the statutory warranty

### Scope of supply

- Lift: 1 x
- Instructions for use and operation: 1 x

### Information on sustainability criteria

---

- Corporate certification: ISO 9001
- Corporate certification: ISO 14001
- Corporate certification: EN 1090
- Corporate certification: EcoVadis
- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
